

CHALET ALLURE

Chalet ALLURE, built in 2021, is a luxury catered chalet located in the picturesque village of Samoëns, an hour from Geneva.

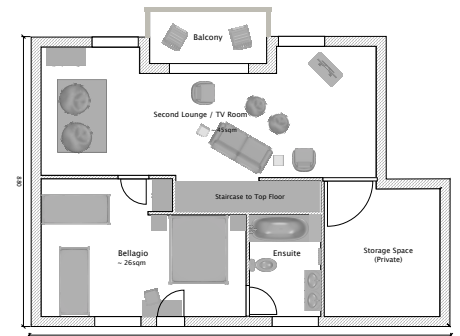

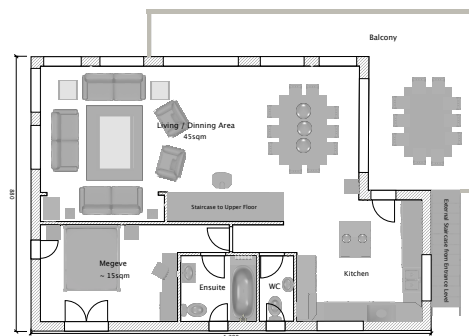

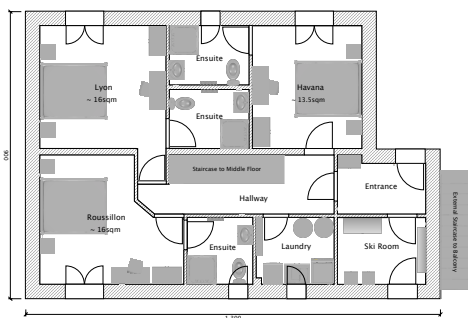

The chalet offers five double / twin bedrooms, each with an ensuite. The top floor houses a large double bedroom which can be used as a family room for up to four as well as a second lounge that spans the entire width of the rear of the upper floor and is home to the chalet TV, DVD and PlayStation as well as the 'chill-zone' with a selection of games, puzzles and books.

The expansive open-plan lounge and dining room, with modern feature fireplace, are on the middle floor. Large picture windows maximise the stunning mountain views over the Giffre Valley and the iconic Montagne du Criou.

A ski / boot room with heated boot racks is conveniently located for when you return from a day on the slopes. At the rear of the chalet a large 6-person hot-tub on the terrace affords guests breath-taking views of the surrounding mountains.

Samoëns forms part of the Grand Massif ski domain, which with over 265km of piste, is one of the largest ski areas in Europe. With 80% north-facing slopes the region offers a long ski season and has much to challenge all ability levels.

Chalet ALLURE is located just 200m from the 10-person Vercland gondola and the foot of the Grand Crêt piste.

The Chalet Offers:

- Large open-plan living area with fireplace
- Second lounge + TV, DVD, Playstation
